Sales and Use Tax Exemption for a Motor Vehicle Purchased by a Nonresident of Connecticut

Part | Instructions

Conn. Gen. Stat. §12-412(60) exempts from sales and use taxes the sale of any motor vehicle in this state:

- When the purchaser of the motor vehicle is not a resident of this state and does not maintain a permanent place of abode in this state; and
- The motor vehicle is not presented, or is not required to be presented, for registration with the Department of Motor Vehicles (DMV) in this state.

General Purpose: A nonresident purchaser should use this certificate in connection with the purchase of a motor vehicle exempt from sales and use taxes from a licensed Connecticut motor vehicle dealer (retailer) when the vehicle will not be presented, or is not required to be presented, for any form of registration in Connecticut except to obtain an in-transit plate.

This certificate is not valid unless it is wholly and correctly completed and acknowledged. Any misrepresentation will result in the imposition of use tax liability and statutory interest and penalties on the purchaser or sales tax liability and statutory interest and penalties on the retailer. The information in this certificate will be furnished to other states and is subject to verification by the State of Connecticut. If the purchaser is a corporation, an officer or authorized representative must sign the Purchaser's Declaration.

Instructions for the Purchaser: Use this certificate only if you do not maintain a permanent place of abode in Connecticut and will not present, or are not required to present, the motor vehicle for any form of registration in Connecticut except to obtain an in-transit plate.

Do not use this form if you maintain a permanent place of abode in Connecticut. A permanent place of abode is a dwelling place permanently maintained by an individual, whether or not owned by, rented, or leased to the individual and generally includes a dwelling place owned by or leased to his or her spouse. Generally, a barracks, motel room, or any construction that does not contain facilities ordinarily found in a dwelling, such as facilities for cooking, bathing, etc., are not deemed a permanent place of abode. Also, a place of abode is not deemed permanent if it is maintained only during a temporary stay for the accomplishment of a particular purpose.

A corporation, partnership, limited liability company, or other business entity may qualify for this exemption only if:

- The entity maintains no Connecticut situs and owns no fixed assets located in this state;
- No partner, officer, or member of the entity or its affiliates, and no operator or user of the motor vehicle with an ownership interest in the entity or its affiliates, is a resident of Connecticut or is a nonresident that maintains a permanent place of abode in Connecticut; and
- The motor vehicle is not presented, or is not required to be presented, for registration with DMV.

Instructions for the Retailer: You must keep a copy of the certificate and a bill or invoice for at least six years from the date the item is purchased. The certificate is valid only if taken in good faith from a person who does not maintain a permanent place of abode in this state or a business entity that meets the requirements stated above and will not present, or is not required to present, this motor vehicle for any form of registration in Connecticut except to obtain an in-transit plate. The good faith of the retailer will be questioned if the retailer knows or has knowledge of facts that give rise to a reasonable inference that the purchaser is a resident of Connecticut, maintains a permanent place of abode here, intends to present, or is required to present, the motor vehicle for registration with DMV in this state except to an obtain in-transit plate. The bill, purchase invoice, or records covering the purchase made under this certificate must be appropriately marked to indicate that an exempt purchase has occurred. The words "Exempt under CERT-125" satisfy this requirement.

For More Information: See Informational Publication 2004(27), Q & A on Purchases of Motor Vehicles by Nonresidents. Call Taxpayer Services at 1-800-382-9463 (in-state) or 860-297-5962 (from anywhere). TTY, TDD, and Text Telephone users only may transmit inquiries anytime by calling 860-297-4911.
