10 AM - 12 Noon

Use Your Color Preferences to Plan Your Garden For All Four Seasons!

How to *plan before planting*

writing a site plan of your property,

Using your own color preferences as a guide,

Learn how colors work in your garden,

Remember that you can have color for each
season - even winter.

Including native plants - they like it here.

Using plants that attract pollinators – it's good for them & good for your garden.

Limiting pesticides and herbicides whenever possible

Presenter Ginger Lefurgy:

Ginger Lefurgy retired from teaching at Carmel High School in 2011 and has served as a Master Garden Volunteer in Putnam County since 2012. She has been a resident of Putnam Valley since 1976, and recently joined the Friends of the Putnam Valley Library's Board of Directors.
